*****

1. In the reference first cited, a revised circular was issued in supersession of all earlier circulars issued on the subject matter of e-filing of monthly returns, wherein it has been ordered under the powers vested in Section 21 of TNVAT Act, 2006 read with sub-rule 5 of Rule 7 of TNVAT Rules, 2007 that ***all existing ssesses i.e., dealers who are statutorily required to file monthly returns in the relevant Form I, K, L (Vatable goods), Form J (Non Vatable goods) and Form 1 and new dealers registering for obtaining Taxpayers Index Number shall file the returns electronically (e-filing)*** through the Commercial Taxes Department's website www.tnvat.gov.in on or before the mandated due dates; and further, it had been stated that the earlier order mandating all the non ssesses (who are liable to file annual returns in Form I-1) to file their returns electronically (e-filing) through the Commercial Taxes Department's website www.tnvat.gov.in on or before the mandated due dates.

2. In the reference second cited, detailed instructions were issued to ensure compliance of e-payment by statutorily mandated dealers, by virtue of their taxable turnover reported more than rupees two crores in financial year 2013-14, wherein the list of mandated dealers defaulting in e-payment of taxes division-wise were communicated for ensuring compliance from the month of November, 2014.

3. The afore-mentioned circulars were issued to ensure compliance of 100% e-filing of both ssesses and non-asseesses, and 100% e-payment by statutorily mandated dealers within the prescribed time limits, so as to align the dealer fraternity to usher in compulsory e-filing accompanied by e-payment/ e-challan regime in the anvil of total solutions project.

4. It is now ascertained from department's website that still an alarming 89,942 assessees have not e-filed their monthly returns and 1,979 statutorily e-payment mandated dealers have not effected e-payment of taxes, which is a matter of great concern.

5. Therefore, it is instructed that the Territorial Joint Commissioners(CT), Deputy Commissioners (CT) and head of the assessment circles should conspicuously display the following in the notice board.
"*All the dealers are ordered to compulsorily e-file their monthly/ annual returns and further, the statutorily mandated e-payment dealers shall pay their taxes only through e-payment mode, within the due dates.* ***No manual returns shall be entertained under any circumstances.*** *Failure to comply with the instructions issued shall entail action as per law"*

6. Please note that manual filing of returns enables dealers to escape mismatch analysis of input tax claims and assessing officers shall be held responsible for any such revenue loss. The head of assessment circles are directed to act as per para 5 of circular issued in first reference cited.

7. The instructions issued should be scrupulously followed and the head of assessment circles found wanting in compliance of the instructions issued shall be dealt severely; and the Territorial Joint Commissioners (CT) and Deputy Commissioners (CT) shall ensure strict adherence by the head of the assessment circles and the dealer fraternity.
